To All IUGC Affiliated Unions

Dear Brothers and Sisters;

The Steering Committee of the Inter-Union Gas Conference met on Friday July 17, 2020 via Zoom to discuss the latest issues regarding the future of the 2020 IUGC amid the current COVID-19 crisis.

Following a joint discussion with each affiliate's representative, it was motioned, seconded and unanimously agreed that due to safety concerns, current restrictions of social gatherings, and state and local travel restrictions and quarantines, it is in the best interest of our members and attendees to cancel the 2020 IUGC.

The United Association sincerely appreciates the support each affiliate has provided, especially over the course of the past few months throughout the ongoing and ever evolving pandemic. Although we were not able to come together in person in 2020 – the UA remains committed to working together with you for the benefit of all workers in the Gas Industry.

Fraternally yours,

Brett McCoy  
Director of Metal Trades
